The God Market: How Globalization is Making India More Hindu. Book Description: Conventional wisdom says that integration into the global marketplace tends to weaken the power of traditional faith in developing countries. But, as Meera Nanda argues in this path-breaking book, this is hardly the case in today's India. Anyone eager to learn more about what secularization is and should be, about the impact of globalization on India, or about Hinduism as a marketing/economic force with major political and social power, will do well to read Meera Nanda's The God Market. Meera Nanda is a writer, philosopher, and scientist.
